

If you have a Window 8 or 8.1 system with touchscreen enabled, you will see an error message when you attempt to fill in form fields in Adobe Reader. To solve this problem, you need to disable the Touch Screen Mode in Adobe Reader. Click on the “Toggle Touch Mode” icon as shown below to do this.

Click this icon to disable touch screen entry in Adobe Reader.

The screenshot shows the Adobe Reader interface with a document titled "FICRA_Bldg_Trust_Scholarship_Application_Form_2014.pdf". A red arrow points to the "Toggle Touch Mode" button in the purple toolbar. The document content includes the title "FICRA BUILDING TRUST SCHOLARSHIP APPLICATION", a "Print Form" button, and several text input fields for applicant information.

**FICRA BUILDING TRUST
SCHOLARSHIP APPLICATION**

[Print Form](#)
