

FICRA Building Trust

Membership Registration/Renewal

FICRA, short for "The FICRA Building Trust" (and the former Fox Island Community & Recreation Association), is the non-profit organization that owns and maintains the old schoolhouse located at Nichols Community Center and the nearby Nature Center. Our volunteer organization serves the Fox Island community by providing a variety of social and recreational activities.

Funds donated to the Trust are used to restore and maintain the old schoolhouse, maintain the adjacent gazebo and play area, and improve and maintain the sports field so it can be used by Island families. The Trust also supports programs that benefit the community, including the Emergency Preparedness Program (EPP) and the Neighborhood Watch Program.

The upkeep of the Nichols Community Center (NCC) costs tens of thousands of dollars every year and there are many projects needed to keep it an attractive and valuable community resource. Your contributions and the tremendous number of hours provided by community volunteers every year are essential in supporting the facilities.
